IMG[®]
COMFORT

DESIGNED IN NORWAY

Experience Scandinavian passion

IMG® is located in Sykkylven, Norway – famous for its steep mountains and deep fjords as well as the home for Scandinavian production and development centre for Scandinavian comfort recliners.

IMG®'s core commitments are comfort, quality and innovative design. With generations of experience, we create furniture based on the Scandinavian approach to relaxation. IMG®'s inspiration comes from you and what you require for ultimate relaxation. It is this foundation and focus that assures each piece of our furniture is carefully crafted to meet your needs and expectations.

Our entire range is designed, engineered and tested by our Norwegian product development team and produced in our own specialized, vertically integrated manufacturing facilities in Vietnam, Thailand and Lithuania.

Every element of our design has been researched and engineered with a focus on both functionality and comfort, backed with a 10-year warranty so you can rest assured that you have invested in state-of-the-art Scandinavian inspired furniture that lasts.

Find out for yourself by visiting one of our retailers and discover body correct support leading to true Norwegian comfort created by IMG®.

Space

An icon of modern Scandinavian design, the Space recliner has a streamlined silhouette with its slim back and arms, and a sleek steel star base that are equally suited to contemporary and timeless interiors. Simply adjust the contoured back, headrest and ergonomic footstool to create your perfect place for relaxation
