The new and improved Space recliner now features an even better comfort, with a slimmer arm and back profile, and a height adjustable footstool (9 cm from min to max). With the Space recliner program the back angle is adjustable with an unique gas-lift system to adapt to all comfort requirements. With all the built-in functions in this recliner, you will experience an entirely different level of absolute comfort.

**BENEFITS**

**“JUST RIGHT” HEADREST**
Exclusive adjustment system that allows your head and neck to rest in an infinite number of comfort positions.

**UNIQUE RECLINING-SYSTEM**
The gas-lift based reclining system allows you to effortlessly recline and change back angle as your heart desires. You can also easily lock the preferred back angle position.

**ERGO-TILT**
With Ergo-Tilt you get a subtle and soft rocking motion that will enhance your comfort in any position. In addition it will enable the reclining angle to go even further back.

**360° SWIVEL**
With a very smooth 360 degree swivel mechanism you can easily rotate the chair in either direction while seated. Our swivel mechanism offers effortless movement and unsurpassed stability.

**FREESTANDING FOOTSTOOL**
Our footstool is ergonomically designed to provide the best support and becomes an essential part in providing unsurpassed comfort. It is angled for enhanced leg support and better blood circulation.

**COLD-CURE FOAM CUSHIONING**
This space-age material encases the interior steel frame and sinuous springs, allowing for body-friendly curvatures to be covered with glove-fitted leather or upholstery.

**THE CHOICE IS YOURS**
Chair and ottoman are available with different bases. You also have a choice of leather and micro-fiber upholstery. See your IMG dealer for the many custom options.

**WARRANTY**

10 years on molded foam cushions and steel frames
5 years on mechanisms
2 years on motor and battery-parts
2 years on leather and fabric covers

See warranty policy for more details.
